

RESOLUTION NO. 94-62

Resolution expressing the sense of the Board of Union Township Trustees, Butler County, Ohio relative to providing funding to the Butler County Engineer for local road improvement projects.

Whereas, it is the desire of the Board of Union Township Trustees and the Butler County Engineer to work cooperatively to accomplish a variety of local road improvement projects which will improve the flow of traffic throughout our community, and

Whereas, the Board of Union Township Trustees has recently met with the County Engineer to discuss a variety of projects and opportunities for financing these projects, and

Whereas, the Board of Union Township Trustees shares the priorities and goals for local improvement projects as expressed within the local project priorities listing provided by the Butler County Engineer

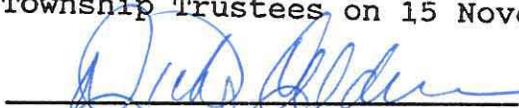

Now therefore be it hereby resolved that,

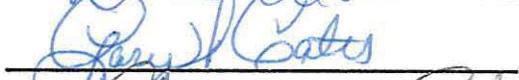

The Board of Union Township Trustees desires to provide the funding for the following projects:

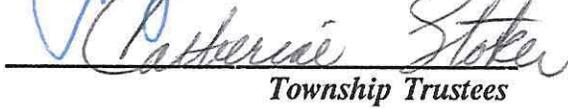

1. Beckett Road Bridge # 03.403 rebuild.
2. Beckett Road Bridge # 03.507 rebuild.
3. Extension of Tylers Place Blvd from present terminus to Hamilton Mason Road as negotiated with private developers and the Butler County Commissioners.
4. Supplementary funds, as required for the State Route 42 Corridor Study and associated recommended improvements.
5. Beckett and Smith Road Improvement in conjunction with private development.

Further, the Board of Trustees desires to provide annual funding assistance to the Engineer to work through the list of project priorities as discussed and agreed upon annually, in an estimated amount of approximately \$200,000 a year so long as financially feasible for the township to do so.

Affirmaively voted upon by a majority of the Board of Union Township Trustees on 15 November 1994 by:

Township Trustees

Attest: 

Township Clerk
