

RESOLUTION NO. 35 - 2006

RESOLUTION REQUESTING A REVIEW OF THE SPEED LIMIT ENGINEERING AND TRAFFIC INVESTIGATION STUDY FOR STATION ROAD BETWEEN CINCINNATI-DAYTON AND BARRET ROADS AND DETERMINE THAT THE STATUTORY VEHICULAR SPEED LIMIT ESTABLISHED BY SECTION 4511.21, REVISED CODE OF OHIO IS GREATER (OR LESS) THAN THAT CONSIDERED REASONABLE AND SAFE

WHEREAS, it needs to be determined that the statutory vehicular speed limit, established by Section 4511.21, Revised Code of Ohio for Station Road between Cincinnati-Dayton Road and Barret Road, is greater (or less) than that considered reasonable and safe; and,

WHEREAS, The Board of Township Trustees desires the Butler County Engineer's Office (BCEO), on behalf of the Board, to request the Ohio Department of Transportation to review engineering and traffic investigation studies to determine that the speed permitted is reasonable and safe for the conditions found to exist at the subject section of Station Road; and,

WHEREAS, it is the belief of the Board of Trustees that such investigation will confirm the allegation that the statutory speed limit of 55 mph is unrealistic.

NOW THEREFORE, BE IT RESOLVED that the West Chester Township Board of Trustees does hereby agree to:

SECTION 1. Request, pursuant to the provisions of Section 4511.21, Revised Code of Ohio, the Director of Ohio Highways to review the engineering and traffic investigation and to determine and declare a reasonable and safe prima facie speed limit on Station Road between Cincinnati-Dayton and Barret Road in Butler County, Ohio.

SECTION 2. Authorize, once the Director of Ohio Highways has determined and declared a reasonable and safe speed limit on the section of road described in Section 1 hereof, the properly posting of and giving notice thereof that standard signs will be erected.

Adopted this 26th day of September, 2006.
