

RESOLUTION NO. 93-62

BE IT RESOLVED by the Township Trustees of Union Township, Butler County, Ohio that:

Resolution declaring the Boards intention to opt out of Butler County's Waste Collection District and to formulate a Township-Wide Waste Collection District for Union Township Butler County, Ohio.

Whereas, the Butler County Solid Waste Management District has or shortly will be adopting a comprehensive Waste Management Plan for the communities within Butler County, Ohio, and

Whereas, the intent of the plan will require formulation of a Joint Waste Collection District comprising several communities of the County, and

Whereas, it is expected that the plan will recognize the unique characteristics of the community of Union Township, Butler County by providing the township with the option of either being included within one of the Waste Collection Districts managed by the County, or by opting out and forming their own "Township-Wide Waste Collection District", now therefore

BE IT HEREBY RESOLVED that, the Board recognizes that many circumstances exist that make it advantageous for Union Township to form its own Waste Collection District, and that the Board therefore states its intention to opt out of the Butler County Solid Waste Collection District and states its intention to formulate its own Township Wide Waste Management Collection District to be administered by the Township.
