RESOLUTION No. 6

Butler County, Ohio

Be It Resolved by the Township Trustees of Liberty and Union Townships, that the Boards of Trustees of Liberty and Union Townships, Butler County, Ohio, wish to record the maintenance agreement of Hamilton-Mason Road.

Hamilton-Mason Road is designated BUT-05-T-0021 by the Ohio Department of Transportation.

Liberty Township is to maintain Hamilton-Mason Road from the center of the intersection of Maud-Hughes Road (BUT-05-T-0138) East to right angle curve known as Ross' Corner at which point the road turns South and lies entirely within Union Township. This portion consists of approximately 2.2 miles.

In addition, Liberty Township is to maintain that portion of Butler-Warren County Line Road (BUT-05-T-0011) South of its boundary to the center of the intersection with Hamilton-Mason Road because there is no place for trucks to turn except at that intersection. This portion consists of approximately .2 miles.

Union Township is to maintain that portion of Hamilton-Mason Road from the center of the intersection of Maud-Hughes Road West to State Route 747. This portion consists of approximately 3 miles.

Maintenance is defined as all routine repairs and re-surfacing of the pavement; maintenance of road signs and drainage within the right of way.

This resolution will become effective upon adoption by both townships.
