

RESOLUTION No. 23-85

Butler County, Ohio

Be It Resolved by the Township Trustees of Union Township,

that the Union Township Board of Trustees oppose legislation which would require township governments to pay 1.45 percent for each employee for Medicare. Further, the Trustees strongly object to any pending legislation which would require newly hired employees after January 1, 1986 to be under the Social Security System. This action would increase township contributions to retirement systems and jeopardize the current Public Employee Retirement System within the State of Ohio.

Adopted the 12th day of November, 19 85

Attest: Patricia Williams
Township Clerk.
