

RESOLUTION No. 1-81

Butler County, Ohio

Be It Resolved by the Township Trustees of Union Township,

that:

The Butler County Engineer is by this Resolution authorized to replace the culvert and otherwise improve the storm drainage system under Eastbrook Drive, Union Township in accordance with the drainage study, engineering drawing and cost estimate prepared and submitted to the Board by the County Engineer. Cost estimated to be approximately \$10,200.00. Funding for this project shall come from the Township's share of automobile license fees.

Because of the substantial amount of flooding and damage that has occurred at this site during the past two years, the Board requests that the work proceed as expeditiously as possible. Union Township wishes to utilize its equipment and manpower as much as possible during this project to reduce overall direct costs below those estimated.

Adopted the 10th day of February 1981

David W. Smith
Township Trustees

Attest: Patricia Williams
Township Clerk.
